FINAL DETERMINATION

PERMITTEE

United States Air Force
Tyndall Air Force Base
119 Alabama Avenue, Stop 42
Tyndall Air Force Base

PERMITTING AUTHORITY

Florida Department of Environmental Protection
Waste Management/Air Resources
Northwest District
160 W. Government Street, Suite 308
Pensacola, Florida 32502-5740

PROJECT

Air Permit No. 0050024-013-AC
Minor Source Air Construction Permit
Tyndall Air Force Base

This project is for the construction of two Low Observable/Composite Repair (LO/CR) Paint Booths, identified as 280-PB1 and 280-PB2, located in Hangar 4. Each paint booth has a 1.2 MMBtu/hr direct fired reheat burner using natural gas. The burners are part of a make-up air unit consisting of an electric preheat coil, chilled water coil section, a direct-fired reheat burner section, a humidified section and a supply fan section.

NOTICE AND PUBLICATION

The Department distributed a draft minor source air construction permit package on May 8, 2013. The applicant published the Public Notice in the Panama City News Herald on May 14, 2013. The Department received the proof of publication on May 28, 2013. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

COMMENTS

No requests for petition or comments on the Draft Permit were received from the public or the applicant.

CONCLUSION

The final action is to issue the permit with any minor changes, corrections and clarifications as described above.
