Mr. Normond B. McAllister Jr., President
Gulf Terminal Corporation
Panama City Marine & Rail Terminal
122 South Center Avenue
Panama City, Florida 32401

Dear Mr. McAllister:

This is in response to your telephone call and e-mail request of May 10, 2010, for a 15-day time extension to respond to the Department's Request for Additional Information (RAI) for the Gulf Terminal Corporation facility at 122 South Center Avenue in Panama City (DEP File No. 0050045-008-AC).

Your response to the RAI is necessary to make a determination on your request for a time extension to construction permit 0050045-007-AC, which will expire on June 13, 2010. The RAI response was originally due May 14, 2010. Your request for an extension to respond to the RAI is approved.

Please note the new RAI response date is May 28, 2010, which is only 14 days prior to the expiration of the construction permit.

When referring to this project, please use file number 0050045-008-AC. If you have any questions, please contact Debbie Moore at 850/595-8300, extension 1230 or Deborah.L.Moore@dep.state.fl.us.

Sincerely,
/s/

Rick Bradburn
Air Program Administrator
