Dear Mr. Maxwell:

This is in response to your letter dated January 4, 2000 requesting an extension of MacTavish Furniture Industries' environmental operating permit 03900207-002-AO. This permit was issued January 9, 1996 with an expiration date of July 31, 2000.

Rule 62-4.070, F.A.C. allows the Department to issue permits for a term of up to five years. As a result, this letter extends permit 03900207-002-AO to January 5, 2001. All other conditions of the issued permit remain the same. Please note that an application for renewal of the operating permit must be submitted sixty days prior to the extended expiration date of the permit.

Please make the appropriate pen and ink annotations to your copy of the permit, showing the extended expiration date. In addition, a copy of this letter must be attached to the issued permit.

If you have any questions, please contact Bob Kriegel at (850) 595-8364, extension 1231.

Sincerely,

Ed K. Middleswart, P.E.  
Air Program Administrator
