NOTICE OF FINAL TITLE V AIR OPERATION PERMIT

March 2, 2012

In the Matter of an
Application for Permit Revision by:

Mr. Luis G. Lopez
Plant Manager
CEMEX Construction Materials Florida, LLC.
1200 NW 137 Avenue
Miami, FL 33182

FINAL Permit Project No.: 0250014-044-AV
CEMEX Construction Materials Florida, LLC.

Dear Mr. Lopez:

Enclosed is the FINAL Permit, No. 0250014-044-AV, for the Title V Air Operation Permit Revision. The purpose of this Title V Revision is to incorporate the terms and conditions of previously issued Air Construction Permit Nos. 0250014-038-AC, and 0250014-042-AC for the above-referenced facility. Air construction permit No. 0250014-038-AC was issued for the installation of one (1) 800 BBL twin-compartment silo, and one (1) concrete mixer at the Sweetwater Concrete Batch Plant. The concrete mixer was not installed, and as such will not be incorporated into this Title V air operation permit revision. Air construction permit No. 0250014-042-AC was issued to allow CEMEX to burn clean biomass as a supplemental fuel in the cement kiln on a permanent basis. The facility is located in Miami-Dade County. This permit revision is issued pursuant to Chapter 403, Florida Statutes (F.S.). There were no comments received from Region 4, U.S. EPA, regarding the PROPOSED Permit.

Any party to this order (permit revision) has the right to seek judicial review of the permit pursuant to Section 120.68, F.S., by the filing of a Notice of Appeal pursuant to Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the permitting authority in the Legal Office; and, by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 (thirty) days from the date this Notice is filed with the Clerk of the permitting authority.

Executed in Miami-Dade County, Florida.

FINAL Determination

Title V Air Operation Permit Revision
FINAL Permit Project No.: 0250014-044-AV
CEMEX Construction Materials Florida, LLC.

I. Comment(s).

No comments were received from the USEPA during their 45 day review period of the PROPOSED Permit. However, recent organizational changes have occurred within the Miami-Dade County Government and the Department of Environmental Resources Management (DERM) has become Permitting, Environment and Regulatory Affairs (PERA). As a result, all references to DERM in the permit have been changed to PERA.

II. Conclusion.

In conclusion, the permitting authority hereby issues the FINAL Permit.
