PROJECT

Air Permit No. 0890003-043-AC
Air Construction Permit Modification

This air construction permit modifies Permit No. 0890003-040-AC for Emissions Unit 041, Coal Bunkers A, B, and C. These bunkers were identified in Permit No. 0890003-040-AC as individual emission points, Nos. 09, 10, and 11. The facility has since determined that these bunkers are enclosed and all vent to a common stack. This final air construction permit identifies a single emission point for the common stack, EP 09. Emission Points 10, and 11 have been eliminated in this permitting action.

NOTICE AND PUBLICATION

The Department distributed a draft air construction permit package on July 2, 2014. The applicant published the Public Notice in the Fernandina News-Leader on July 16, 2014. The Department received the proof of publication on July 23, 2014. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

COMMENTS

No comments on the Draft Permit were received from the public, the applicant, or the EPA Region 4 Office.

CONCLUSION

The final action is to issue the permit with the minor changes, corrections and clarifications as described above.
