Other Changes

1. *Comment*: *Scrivener error was detected for permit number of PSD-FL-414B in the project description on the placard page of the permit.*

   Response: Permit No. 0250615-012-AC (PSD-FL-414A) is changed to Permit No. 0250615-013-AC (PSD-FL-414A).

2. *Comment*: *Scrivener error was detected in the expiration date for the commencement of construction.*

   Response: The expiration date cited in Specific Condition 1.(a) is changes as follows:

   1. Source Obligation:

      (a) Authorization to construct shall expire if construction is not commenced within 18 months after receipt of the permit, if construction is discontinued for a period of 18 months or more, or if construction is not completed within a reasonable time. This provision does not apply to the time period between construction of the approved phases of a phased construction project except that each

phase must commence construction within 18 months of the commencement date established by the Department in the permit. Waste Management of Florida and the Medley Landfill will have an additional 18 month extension of time to commence construction until February 25, ~~2015~~ 2016.

CONCLUSION

The final action of the Department is to issue the permit with the minor changes, corrections and clarifications as described above.
