I. Comment(s).

No comments were received from the USEPA during their 45 day review period of the PROPOSED Permit. However, recent organizational changes have occurred within the Miami-Dade County Government and the Permitting, Environment and Regulatory Affairs (PERA) has become the Department of Regulatory and Economic Resources (RER), Division of Environmental Resources Management, Air Quality Management. As a result, all references to PERA in the permit have been changed to RER.

II. Conclusion.

In conclusion, the permitting authority hereby issues the FINAL Permit.
