FINAL DETERMINATION

PERMITTEE

Southeastern Construction and Maintenance, Inc.
1150 Pebbledale Road
Mulberry, FL 33860

PERMITTING AUTHORITY

Florida Department of Environmental Protection
Air Resource Management
Southwest District
13051 North Telecom Parkway
Temple Terrace, Florida 33637-7600

PROJECT

Air Permit No. 1050451-001-AC
Minor Air Construction Permit
Southeastern Construction and Maintenance, Inc.

This is an after-the-fact initial construction permit for a steel fabrication and industrial construction and maintenance facility. The facility designs, fabricates, paints, assembles/constructs, repairs and maintains equipment, components, and structures made from carbon steel according to client contract specifications.

NOTICE AND PUBLICATION

The Permitting Authority distributed a draft minor air construction permit package on May 20, 2014. The applicant published the Public Notice in The Mulberry Press on May 28, 2014. The Permitting Authority received the proof of publication on June 6, 2014. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

COMMENTS

Applicant

On June 2, 2014, the Permitting Authority received comments from Dan Kovarik, P.G., of EnviroTrac, Ltd. The following summarizes the comments and the Permitting Authority's response.

1. The sandblasting operation permit limit stated in the Exempt Emission Sources/Activities section of the draft permit was typed incorrectly.

   Response: This typo was corrected in the final permit.

CONCLUSION

The changes that have been made are insignificant in nature and do not impose additional public noticing requirements. The permitting authority hereby issues the FINAL Permit with the changes noted above.
