FINAL DETERMINATION

PERMITTEE

St. Marks Powder, Inc.
Post Office Box 222
St. Marks, Florida 32355

PERMITTING AUTHORITY

Florida Department of Environmental Protection
Waste Management/Air Resources Program
Northwest District
160 W Government Street, Suite 308
Pensacola, Florida 32502-5740

PROJECT

Air Permit No. 1290003-019-AC
Title V Source Air Construction Permit
St. Marks Powder

The applicant proposes to modify existing construction permit No. 1290003-016-AC to authorize St. Marks Powder to reinstate the compliance testing requirements specified in the existing Title V permit 1290003-015-AV, which requires VE and VOC testing once every five years for the coaters in emissions unit 012, pursuant to Rule 62-297.310(7)(a)3., F.A.C. Emissions will not change as a result of this project. This air construction permit is being processed concurrently with the Title V air operation permit renewal project 1290003-018-AV, which renews the existing Title V air operation permit 1290003-015-AV.

NOTICE AND PUBLICATION

The Department distributed a draft Title V source air construction permit package on October 31, 2013. The applicant published the Public Notice in the Tallahassee Democrat on November 2, 2013. The Department received the proof of publication on November 12, 2013. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

COMMENTS

No comments on the Draft Permit were received from the public, the EPA Region 4 Office or the applicant.

CONCLUSION

The final action is to issue the permit with any minor changes, corrections and clarifications as described above.
