CERTIFIED - RETURN RECEIPT

Mr. Rene Etcharren, Senior Vice President
ConGlobal Industries, Inc.
2777 Allen Parkway, Suite 850
Houston, Texas 77019

Re: Duval County-Air Pollution
ConGlobal Industries, Inc.
PROPOSED Permit No.: 0310333-008-AV
Title V Air Operation Permit Renewal

Dear Mr. Etcharren:

One copy of the "PROPOSED DETERMINATION" for the Title V Air Operation Permit Renewal for Conglobal Industries, Inc. located at 8831 Moncrief/Dinsmore Road, Jacksonville, Duval County; FL 32219, is enclosed. This letter is only a courtesy to inform you that the DRAFT Permit has become a PROPOSED Permit.

An electronic version of this determination has been posted on the Division of Air Resources Management's world wide web site for the United States Environmental Protection Agency (USEPA) Region 4 office's review. The web site address is:

`"http://www.dep.state.fl.us/air/emission/apds/default.asp"

Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the PROPOSED Permit is made by the USEPA within 45 days, the PROPOSED Permit will become a FINAL Permit no later than 55 days after the date on which the PROPOSED Permit was mailed (posted) to USEPA. If USEPA has an objection to the PROPOSED Permit, the FINAL Permit will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn.

If you should have any questions, please contact Mr. Harry D. Smith at (904) 255-7196.

Sincerely,

_____
Richard L. Robinson, P.E., Manager
Air Pollution Source Permitting Section

PROPOSED PERMIT DETERMINATION

I. Public Notice.

An "INTENT TO ISSUE TITLE V AIR OPERATION PERMIT" to Conglobal Industries, Inc. located at 8831 Moncrief/Dinsmore Road, Jacksonville, Duval County, FL 32219 was clerked on July 16, 2010. The "PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT" was published in The Financial News & Daily Record on August 23, 2010. The DRAFT Permit was available for public inspection at the Environmental and Compliance Department, Environmental Quality Division in Jacksonville, FL. Proof of publication of the "PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT" was received on August 27, 2010.

II. Public Comment(s).

Comments were received and the DRAFT Permit was changed. The comments were not considered significant enough to reissue the DRAFT Permit and require another Public Notice. Comments were received from one respondent during the 30 (thirty) day public comment period. Listed below is the comment letter and a response to each comment in the order that the comments were received. The comment(s) will not be restated.

A. E-mail received from Mr. George L. Whitmer, Whitmer Environmental Services, Inc., on December 9, 2010.

1. Response:

a. As a result of this comment, **the first sentence of the third paragraph of the Statement of Basis** is hereby changed as follows.

From: This facility refinishes military shipping containers, private roll-off refuse containers, military vehicles and miscellaneous metal parts.

To: This facility refinishes shipping containers, roll-off containers, vehicles and miscellaneous metal parts.

2. Response:

a. As a result of this comment, **the first sentence of the second paragraph of Section I, Subsection A. Facility Information** is hereby changed as follows.

From: This facility refinishes military shipping containers, private roll-off refuse containers, military vehicles and miscellaneous metal parts.

To: This facility refinishes shipping containers, roll-off containers, vehicles and miscellaneous metal parts.

3. **Response:**

   a. As a result of this comment, **Emission Unit Description for Emission Unit No. 002 (Spray Painting Operation)** is hereby changed as follows.

   From: Emissions Unit Description: The spray painting operation is used to surface coat military shipping containers, private roll-off refuse containers and miscellaneous metal parts.

   To: Emissions Unit Description: The spray painting operation is used to surface coat shipping containers, roll-off containers, vehicles and miscellaneous metal parts.

4. **Response:**

   a. As a result of this comment, **Emission Unit Description for Emission Unit No. 004 (Global Paint Booth)** is hereby changed as follows.

   From: Emissions Unit Description: The global paint booth operation is used to surface coat military vehicles.

   To: Emissions Unit Description: The global paint booth operation is used to surface coat vehicles, metal containers and miscellaneous metal parts.

5. **Response:**

   a. As a result of this comment, **Emission Unit Description for Emission Unit No. 005 (Silica Blasting Operation)** is hereby changed as follows.

   From: Emissions Unit Description: The silica operation is an open air silica and similar abrasive materials blasting operation. This operation is used for the blasting of military vehicles.

   To: Emissions Unit Description: The silica operation is an open air silica and similar abrasive materials blasting operation. This operation is used for the blasting of vehicles and miscellaneous equipment.

Permitting Note: **The emissions unit descriptions in The Statement of Basis have been changed to reflect the above changes. In addition, all other instances in which the word "military" exists have been deleted from the permit project.**

III. Conclusion.

The Permitting Authority hereby issues the PROPOSED Permit, with the changes noted above.
