PERMITTEE

Vulcan Materials Company/Florida Rock Division
d/b/a Florida Cement, Inc. – Port Manatee
2001 Maritime Blvd.
Tampa, FL 333605-6760

PERMITTING AUTHORITY

Florida Department of Environmental Protection
Air Resource Management
Southwest District
13051 North Telecom Parkway
Temple Terrace, Florida 33637-7600

PROJECT

Air Permit No. 0810011-016-AC
Minor Air Construction Permit
The project is for the following, which will not change the facility's potential or actual emissions:

- An air construction permit modification by: 1) incorporating the terms and conditions of Construction Permit Nos. 0810011-011-AC & 0810011-013-AC; 2) modifying and replacing Construction Permit Nos. 0810011-011-AC & 0810011-013-AC; 3) modifying Emission Unit No. 045 – Non-Produced Cement/Dry Fly Ash to Cement Storage Silo Nos. 1 and 2 of Construction Permit No. 0810011-011-AC as addressed in Construction Permit No. 0810011-013-AC; 4) increasing the hourly material handling rates for Emission Unit Nos. 028, 029, 032, and 037; 5) changing the emission testing frequency for emission units subject to 40 CFR 60, Subpart F; 6) deleting the hourly material handling rate limitations, deleting the routine scheduled visible emission testing requirements, and changing the recordkeeping requirements for emission units not subject to 40 CFR 60, Subpart F; 7) allowing Emission Unit No. 042 to receive wet fly ash for non-cement production owned and/or operated by another facility that has an effective air pollution permit; 8) allowing Emission Unit No. 043 to also have trucks with wet fly ash for non-cement production from other on-site and/or off-site facilities to be driven to and unloaded in the Clinker & Wet Fly Ash Storage Building; 9) limiting Emission Unit No. 043 to unloading a maximum of 150,000 tons of wet fly ash per any consecutive 12-month period; and 10) incorporating and replacing the amendments established in Construction Permit Amendment No. 0810011-015-AC.

NOTICE AND PUBLICATION

The Permitting Authority distributed a draft minor air construction package on May 16, 2012. The applicant published the Public Notice in the Sarasota Herald-Tribune on June 2, 2012. The Permitting Authority received the proof of publication on June 5, 2012. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

COMMENTS

No comments on the Draft Permit were received from the public or the applicant.

CONCLUSION

In conclusion, no changes were made to the draft permit. The permitting authority hereby issues the FINAL Permit, with no changes.
