Facility ID No: 0330066
Facility Address: Wise Recycling, LLC 605 West Hope Drive, Pensacola FL (Escambia County)

Dear Mr Thornton,

This letter is in follow up to our telephone conversation yesterday regarding Wise Recycling deactivating (cancelling) Air Operating Permit 0330066-004-AO. This deactivation should be effective immediately. The equipment (Hammer Mill Shredder, Cyclone, and related attachments) that was subject to the permitting has been dissembled and is no longer in use. Please update your records accordingly.

Additionally, per your recommendation I called Ms. Carol Melton. She was not available at that time, However I did leave her a voice message advising her you had made the change to this permit in your database.

If you would like to visit the site or have any questions feel free to contact me at 919-261-5171.

Sincerely,

K.G.Kalivoda
Vice President
