Memorandum

Florida Department of
Environmental Protection

To: Rick Bradburn, Air Program Administrator

Through: Armando I. Sarasua, P.E., Air Permitting Supervisor

From: Rick Prusa, Project Engineer

Date: March 19, 2012

Subject: Minor Source Air Construction Permit
Project No. 0050024-011-AC
U.S. Air Force, Tyndall Air Force Base
Boiler Replacement

The final permit for this project is attached for your approval and signature, which authorizes the replacement of one 5 MMBtu/hr boiler with three 2 MMBtu/hr boilers. The work will be performed in Bay County five miles southeast of Panama City, Florida. The project results in a minor source air construction permit and is not subject to PSD preconstruction review.

The attached Final Determination summarizes the publication and comment process. There are no pending petitions for administrative hearings or extensions of time in which to file a petition for an administrative hearing. I recommend your approval of the attached final permit for this project.
