Re: Title V Air Operation Permit Revision
PROPOSED Permit Project No.: 0910031-016-AV
Revision to Title V Air Operation Permit No.: 0910031-013-AV
Eglin Air Force Base

Dear Ms. Preacher:

One copy of the "PROPOSED Determination" for the Title V Air Operation Permit Revision for the Eglin Air Force Base located at 592 Range Road, Eglin AFB, Okaloosa County, is enclosed. This letter is only a courtesy to inform you that the DRAFT Permit has become a PROPOSED Permit.

An electronic version of this determination has been posted on the Division of Air Resources Management's world wide web site for the United States Environmental Protection Agency (U.S. EPA) Region 4 office's review. The web site address is: http://www.dep.state.fl.us/air/eproducts/apds/default.asp

Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the PROPOSED Permit is made by the U.S. EPA within 45 days, the PROPOSED Permit will become a FINAL Permit no later than 55 days after the date on which the PROPOSED Permit was mailed (posted) to U.S. EPA. If U.S. EPA has an objection to the PROPOSED Permit, the FINAL Permit will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn.

If you have any questions, please contact Rick Prusa at 850-595-0634 or rick.prusa@dep.state.fl.us.

Sincerely,
/s/
J. Charles Harp
