From: Howard Ard, Project Engineer

Date: November 29, 2012

Subject: Title V Source Air Construction Permit
Project No. 1130004-020-AC
Taminco Inc., Pace Plant
No. 4 Methylamines Plant Expansion

The final permit for this project is attached for your approval and signature, which authorizes Taminco to expand the existing No. 4 Methylamines (MA) Plant to increase production of monomethylamine (MMA), dimethylamine (DMA), and trimethylamine (TMA) at the facility. The work will be performed in Santa Rosa County at 4575 Highway 90 East in Pace, Florida. The project results in a Title V air construction permit and is not subject to PSD preconstruction review.

The attached Final Determination summarizes the publication and comment process. There are no pending petitions for administrative hearings or extensions of time in which to file a petition for an administrative hearing. I recommend your approval of the attached final permit for this project.
