Subject: Title V Source Air Construction Permit
Project No. 1290003-023-AC
St. Marks Powder, Inc.
Production Increase

The final permit for this project is attached for your approval and signature, which authorizes St. Marks Powder to expand the manufacturing process to increase product output by approximately ten percent. The work will be performed in Wakulla County at 7121 Coastal Highway, Crawfordville, Florida. The project results in a Title V air construction permit and is not subject to PSD preconstruction review.

The attached Final Determination summarizes the publication and comment process. There are no pending petitions for administrative hearings or extensions of time in which to file a petition for an administrative hearing. I recommend your approval of the attached final permit for this project.
