## PROJECT

Air Permit No. 1230059-003-AC MM
Air Construction Permit

This construction permit modifies construction Permit No. 1230059-002-AC to allow the use of a portable gasoline/diesel fuel powered generator to provide power to the facility weigh stations and mill crane during periods when electrical power (which is the only source of power to the mill), is temporarily interrupted.

Construction permit No. 1230059-002-AC authorized the restart of the hardwood chip mill owned by Buckeye Florida, LP. Georgia-Pacific, LLC acquired Buckeye Florida, LP when it acquired all of Buckeye Technologies, Inc. in an August 23, 2013 merger.

The facility includes a log yard, sawing, and debarking operations, chipping operations, and chip and bark handling.

## NOTICE AND PUBLICATION

The Department distributed a draft air construction permit package on June 6, 2014. Comments from the facility on the Draft construction permit were received on July 8, 2014.

## COMMENT(S)

Received from Mr. Rand Mathews, Georgia-Pacific, LLC SER Environmental Manager are summarized below:

1. Public Notice: – ‘Project’ …. *allow the use of a gasoline /diesel fuel powered generator to provide power to the facility weigh stations and mill crane*….

2. Draft Permit:

   Revise language in “Project and Location” and “Facility and Project Description” to read ….*allow use of a portable gasoline / diesel fuel powered generator*…..

The Department corrected the Draft construction permit based on these comments and withdrew the June 6, 2014 draft construction permit and replaced it with a revised Draft construction permit package on July 11, 2014.

The applicant published the Public Notice in the Perry News Herald/TACO Times on July 16, 2014. The Department received the proof of publication on July 24, 2014. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

**No comments on the Draft Permit were received from the public.**

## CONCLUSION

The final action is to issue the permit with the minor corrections as described above.
