Memorandum

Florida Department of
Environmental Protection

To: Rick Bradburn, Air Program Administrator

Through: Armando Sarasua, Air Permitting Supervisor

From: Angelia Jackson, Project Engineer

Date: July 14, 2011

Subject: Minor Source Air Construction Permit
Project No.0390039-004-AC
Hanson Pipe & Precast, LLC – Gretna Facility
Add Concrete Batch Plant and Portable Crusher

The final permit for this project is attached for your approval and signature, which authorizes the use of a portable crusher owned and operated by a third party and the addition of a concrete batching plant. The work will be performed in Gadsden County at 55 Dritches-Hayes-Clary Avenue in Gretna, Florida. The project results in a minor source air construction permit and is not subject to PSD preconstruction review.

The attached Final Determination summarizes the publication and comment process. There are no pending petitions for administrative hearings or extensions of time in which to file a petition for an administrative hearing. I recommend your approval of the attached final permit for this project.
