Subject: APAC renewal application (7775073-009-AO)

Notes:

I called Ms. Hamilton to discuss the name change listed on the application that was received by the Department on January 31, 2011. Ms. Hamilton stated the facility is no longer operating as APAC – Southeast, Inc., but has undergone a name change only to APAC Mid-South, Inc. She also stated the authorized representative is Mr. Jimmy Strain as previously indicated. Ms. Hamilton was asked to follow up this information with a letter indicating the official name change.

I also asked Ms. Hamilton if this renewal application will incorporate the use of Biomass fuel oil (BFO-1) under construction permit 7775073-008-AC? She stated no, the BFO-1 is not currently being used at the facility.

2/8/2011 – I called Ms. Hamilton to follow up regarding the name change letter. Ms. Hamilton stated she was awaiting the signature of the authorized representative.
