Subject: Minor Source Air Construction Permit
Project No. 0050024-012-AC
U.S. Air Force, Tyndall Air Force Base
Addition/Removal of Boilers

The final permit for this project is attached for your approval and signature, which authorizes the addition of ten boilers with a total capacity of 11.618 MMBtu/hr. The facility will also remove five boilers from the facility with a total capacity of 4.282 MMBtu/hr. The work will be performed in Bay County five miles southeast of Panama City, Florida. The project results in a minor source air construction permit and is not subject to PSD preconstruction review.

The attached Final Determination summarizes the publication and comment process. There are no pending petitions for administrative hearings or extensions of time in which to file a petition for an administrative hearing. I recommend your approval of the attached final permit for this project.
