I. GENERAL INFORMATION

A. Applicant

Anchor Glass Container Corporation Final Permit No: 0310005-012-AC
Jacksonville Plant No. 07 County: Duval
2121 Huron Street
Jacksonville, FL 32254

B. Project

On August 18, 2010, Anchor Glass Container Corporation submitted an application for an air pollution source construction permit for Glass Melting Furnace No. 4, located at the Jacksonville Plant (No. 07), 2121 Huron St., Jacksonville, Duval County, Florida. The project included the complete replacement of the furnace glass contact and superstructure refractory bricks; the rearrangement of the furnace regenerator system from 4 passes to 2 passes; the relocation of the furnace binding steel to allow installation of additional insulation; widening of the combustion air ports; and changes in the furnace superstructure to allow future installation of oxy/fuel burners.

II. FINAL DETERMINATION

A. Technical Evaluation and Public Notice

The Technical Evaluation and Preliminary Determination for the project described above was distributed on June 23, 2011. The Public Notice of Intent to Issue Permit was published in *The Florida-Times Union* on July 15, 2011. Proof of publication of the Public Notice of Intent to Issue Permit was received by the Environmental and Compliance Department, Environmental Quality Division (EQD) on July 22, 2011.

Copies of the evaluation were available for public inspection at the Permitting Authority.

No comments were submitted on the Public Notice of Intent to Issue Permit. However, comments were received from the permittee regarding the Draft Air Construction Permit prior to the publication of the Public Notice of Intent to Issue Permit. A memorandum containing EQD's response to the comments was added to the permit package (which was available for public inspection) indicating the changes made to the Draft Air Construction Permit. Subsequently, a Revised Draft Air Construction Permit was issued.

B. Document(S) on File with the Permitting Authority:

Letter from Mr. James P. Warner, General Counsel, Anchor Glass Container Corp. received June 3, 2011 regarding comments to the Draft Air Construction Permit.

Memorandum from Ms. Gloria Hunter-Barnes, Environmental Engineer, EQD to the Air Quality Permitting File for Anchor Glass Container Corp. dated June 16, 2011 regarding EQD's responses to comments received from the permittee.

III. CONCLUSION

The Permitting Authority hereby issues Final Permit No.: 0310005-012-AC, as proposed in the Technical Evaluation and Preliminary Determination.
