RE: Georgia-Pacific Wood Products LLC – Hosford, FL OSB
Facility ID # 0770010
Construction Permit 0770010-013-AC
Notification of Initial Construction

To Mr. Armando Sarasua:

The purpose of this letter is to notify the Compliance Authority upon commencement of construction as required by Construction Permit 0770010-013-AC, Section 2.6 for the Georgia-Pacific Hosford OSB plant. Construction was initiated on January 21, 2012 for the low density forming equipment on the press and on January 23, 2012 for the advanced process control software for the dryers.

If you need any additional information, please call Madison McNealey at 850-379-4038.

Certification by Responsible Official: *Based on information and belief formed after responsible inquiry, the statements and information in this document are true, accurate and complete.*

Thank you.
