PROPOSED Determination

Title V Air Operation Permit Revision
PROPOSED Permit Project No.: 0570057-022-AV

I. Public Notice.

An "INTENT TO ISSUE AN AIR CONSTRUCTION PERMIT AND A TITLE V AIR OPERATION PERMIT REVISION" to EnviroFocus Technologies, LLC (formerly Gulf Coast Recycling, Inc.) for their facility located at 6505 Jewel Avenue, Tampa in Hillsborough County was clerked on September 29, 2010. It was reissued following receipt of comments from the applicant and editing of the initial DRAFT permit. The reissued version was clerked on February 2, 2011. The "PUBLIC NOTICE OF INTENT TO ISSUE AN AIR CONSTRUCTION PERMIT AND A TITLE V AIR OPERATION PERMIT REVISION" was published in The Tampa Tribune on February 17, 2011. The DRAFT Permit was available for public inspection at the Environmental Protection Commission of Hillsborough County in Tampa. Proof of publication of the "PUBLIC NOTICE OF INTENT TO ISSUE AN AIR CONSTRUCTION PERMIT AND A TITLE V AIR OPERATION PERMIT REVISION" was received on February 17, 2011.

II. Public Comment(s).

No comments on the permit were received during the 30 (thirty) day public comment period. However, correspondence was received from Innocent Chikunya (EnviroFocus Technologies) on February 24, 2011 indicating that due to a reconfiguration of the site as part of the expansion project, the facility's formal address has now been changed to 6505 Jewel Avenue. Since no comments on the REVISED DRAFT permit were received, the DRAFT Permit becomes the PROPOSED Permit, with the address changed as requested.

III. Conclusion.

Since there were no comments on the REVISED DRAFT permit received during the Public Notice period, no changes were made to the REVISED DRAFT permit except for the facility's address change as noted above, and the permitting authority hereby issues the PROPOSED Permit.
