Florida Department of Environmental Protection

Memorandum

TO: Caroline D. Shine, DAPA, Central District Office

FROM: Jeff Rustin, P.E., Permitting Supervisor

DATE: July 17, 2012

SUBJECT: **Draft/Proposed** Permit No. 0090051-022-AV
NASA, Kennedy Space Center
Title V Revision

Attached for your review are the following items:

- Written Notice of Intent to Issue Air Permit;
- Public Notice of Intent to Issue Air Permit;
- Statement of Basis; and
- **Draft-Proposed** permit.

The **draft/proposed** permit revises the Title V permit for NASA, Kennedy Space Center, which is located in Brevard County, Florida. The Statement of Basis provides a summary of the project and the rationale for issuance.

The application was received and deemed complete on April 24, 2012. July 17, 2012 is Day 84 after the application was considered.

I recommend your approval of the attached **draft/proposed** permit.
