CERTIFIED - RETURN RECEIPT

Mr. Gordon Stewart, Vice President, Engineering
Anchor Glass Container Corporation
401 E. Jackson Street, Suite 2800
Tampa, FL 33602

Re: Duval County - Air Pollution
Anchor Glass Container Corporation, Jacksonville Plant 07
REVISED Draft Air Construction Permit No. 0310005-012-AC
Glass Melting Furnace No. 4

Dear Mr. Stewart:

This letter is in reference to your application for an air pollution source permit for the above referenced project. Copies of the Revised Draft Air Construction Permit, Intent to Issue, Public Notice, Technical Evaluation and Preliminary Determination are enclosed. Enclosed also is a copy of the **Memorandum** to the air quality permitting file containing the responses to the comments received from your facility regarding the Draft Air Construction Permit.

Pursuant to Section 403.815, Florida Statutes and Rule 62-110.106, Florida Administrative Code, you are required to publish at your own expense a Notice of Intent to Issue Permit.

Please have the **PUBLIC NOTICE OF INTENT TO ISSUE PERMIT** published one time only in the legal advertisement section of a major newspaper of general circulation in Duval County, in the area close to where the project is located (affected areas) as soon as possible and no later than July 21, 2011.

Proof of publication through the submittal of the newspaper affidavit shall be provided to the Environmental and Compliance Department, Environmental Quality Division, within seven (7) days of publication. The processing of the application will be delayed until fourteen (14) days after this office has received the proof of publication. Failure to publish this Notice of Intent to Issue Permit will be basis for denial of the permit.

Sincerely,

Robert Steven Pace, P.E., Manager
Air Quality Branch
