Hi Lynn,
Is there any chance the comment period for this facility has been extended, or is still open? This is a permit we are interested in due to it's proximity to Everglades, and would welcome an opportunity to discuss it with you.

As you may know, I was on maternity leave when came through; unfortunately, our branch chief was also out during that time frame. Those covering in our absence did not receive timely confirmation that the notice was published. Please let me know if there is still opportunity to comment. Thanks.

Regards,
Andrea Stacy
