Jacksonville Electric Authority
Northside Generating Station/St. Johns River Power Park/Separations Technology, LLC Facility (NGS/SJRPP/ST)
Final Title V Air Operation Permit Revision

The final permit for this project is attached for your approval and signature.

The attached Final Determination identifies issuance of the draft/proposed Title V air operation permit, the final Title V air operation permit, and summarizes the publication process. There were no comments received from the applicant, public or EPA in response to the draft/proposed permit.

We recommend your approval of the attached final permit for this project.
