NOTICE OF FINAL TITLE V AIR OPERATION PERMIT

Electronic Mail
Received Receipt Requested

In the Matter of an
Application for Permit Revision:

Bartley Conderman
4245 Evans Avenue
Fort Myers Florida 33901

FINAL Revised Permit:
Project No.: 0710238-005-AV
Pall Aeropower Corporation
Fort Myers Facility
Lee County, Florida

Enclosed is the FINAL Revised Permit, No. 0710238-005-AV. The purpose is for the revision of the Title V Air Operation Permit No. 0710238-003-AV to eliminate the timed air cure and 150 degree F. electric cure oven and replace with a Phoenix Solar Dryer (which uses heat from the sun) and dehumidifier on Emission Unit EU-001. This revision also replaces the 180 cubic feet electric cure oven with one Grieve 133 cubic feet oven and one 297 cubic foot oven on Emission Unit EU-002. (This revision does NOT change the amount of air emissions or production rates defined in the original air construction permit No. 0710238-001-AC).

The facility is located in Lee County, Florida. This permit renewal is issued pursuant to Chapter 403, Florida Statutes (F.S.). There were no comments received from Region 4, U.S. EPA, regarding the combined CONSTRUCTION (0710238-004-AC) and DRAFT/PROPOSED Air Operating Permit (0710238-005-AV).

Any party to this order (permit) has the right to seek judicial review of the permit pursuant to Section 120.68, F.S., by the filing of a Notice of Appeal pursuant to Rule 9.110, Florida Rules of Appellate Procedure, with the Clerk of the Department in the Legal Office; and, by filing a copy of the Notice of Appeal accompanied by the applicable filing fees with the appropriate District Court of Appeal. The Notice of Appeal must be filed within 30 (thirty) days from the date this Notice is filed with the Clerk of the Department.

Executed in Fort Myers, Florida.

Jon M. Iglehart
