Richard,

If you haven't mailed it yet, just email us a scanned copy. We are going totally paperless so we can take the affidavits via email now.

Thank you.

Thank you, Tom. For some reason I did not catch the "1.5" Megawatt in re: line of notice, draft permit, and technical evaluation cover sheet; "1.2" megawatt is correct throughout documents. My apologies, especially if typo came from any one of the documents that I sent. Public Notice was fine and it will be published on Friday, January 25, 2013.
