Hi Tammy – Thanks for the reminder. We took a few days to review the permit internally to ensure there were no serious issues in the draft. We are working to publish the notice now and will provide proof of publication electronically per your email.

Dear Mr. Christiansen,

Just a reminder we have not been notified that the public notice was advertised for the Medley

Landfill Title V air operating permit renewal. Also, FDEP will take the affidavit and a copy of the ad electronically. The original affidavit and ad does not need to be mailed in.

If you have any questions or concerns please give me a call or email.

Thank you,

Tammy T. McWade
