Good morning, Ms. Scearce. I would like to publish the attached Public Notice; however, there are three lines of type wherein this company's name is incorrectly shown as "Waste Management, Inc.", instead of "Waste Management Inc. of Florida" (typed Lines 5, 7, 10). Do you have any objection to my making these corrections? Please advise.

Christa,

Good morning. We received approval from FDEP for Air Construction Permit Extension that needs to be published in local newspaper. The notice is attached. I am sure this is the same process you have done numerous times before. Let me know if I can help. We would like to get it published soon (our current permit expires in a few days).

We received the Medley PSD construction start extension for 18 more months. I have verified receipt. We must publish the public notice in a local paper.

Craig A– Please work with Christa to get the notice published and provide proof back to FDEP per the instructions in the permit notice. Do this as soon as you can. Go ahead and upload the permit notice to LGMS when you can.
