Ed:

Did we finalize the air construction permit for this project. I do remember they wanted it before the Title V permit is finalized.

I may have already signed off, but I have such a head cold that I don't remember.

Jeff or Jon can sign if I'm not in Thursday.

Thanks.

Al.

Al, Per our conversation last week, please proceed with finalization and submittal of the AC permit for the above referenced JEA NGS/SJRPP permit upon the end of the 14 day public notice period.

As always, please do not hesitate to contact me at (904)591-2595 if you have any questions.

Thanks, Jay

Florida has a very broad Public Records Law. Virtually all written communications to or from State and Local Officials and employees are public records available to the public and media upon request. JEA does not differentiate between personal and business e-mails. E-mail sent on the JEA system will be considered public and will only be withheld from disclosure if deemed confidential pursuant to State Law. Under Florida law, e-mail addresses are public records. If you do not want your e-mail address released in response to a public-records request, do not send electronic mail to this entity. Instead, contact JEA by phone or in writing.
