**Citations:**

*The following examples illustrate the methods used in this permit to abbreviate and cite the references of rules, regulations, guidance memorandums, permit numbers, and ID numbers.*

Code of Federal Regulations:

*Example*: **[40 CFR 60.334]**

| | | | |
|---|---|---|---|
| Where: | 40 | reference to | Title 40 |
| | CFR | reference to | Code of Federal Regulations |
| | 60 | reference to | Part 60 |
| | 60.334 | reference to | Regulation 60.334 |

Florida Administrative Code (FAC) Rules:

*Example*: **[Rule 62-213, FAC]**

| | | | |
|---|---|---|---|
| Where: | 62 | reference to | Title 62 |
| | 62-213 | reference to | Chapter 62-213 |
| | 62-213.205 | reference to | Rule 62-213.205, FAC |

**ISO:** International Standards Organization refers to those conditions at 288 degrees K, 60 percent relative humidity, and 101.3 kilopascals pressure.

**Identification Numbers:**

Facility Identification (ID) Number:

*Example*: Facility ID No.: 1050221

*Where:*

| | | |
|---|---|---|
| 105 | = | 3-digit number code identifying the facility is located in Polk County |
| 0221 | = | 4-digit number assigned by state database. |

Permit Numbers:

*Example*: 1050221-002-AV, or
1050221-001-AC

*Where:*

| | | |
|---|---|---|
| AC | = | Air Construction Permit |
| AV | = | Air Operation Permit (Title V Source) |
| 105 | = | 3-digit number code identifying the facility is located in Polk County |
| 0221 | = | 4-digit number assigned by permit tracking database |
| 001 or 002 | = | 3-digit sequential project number assigned by permit tracking database |

*Example*: PSD-FL-185
PA95-01
AC53-208321

*Where:*

| | | |
|---|---|---|
| PSD | = | Prevention of Significant Deterioration Permit |
| PA | = | Power Plant Siting Act Permit |
| AC | = | old Air Construction Permit numbering |
