Hi Jon, please disregard the attachment to my previous email as I had forgotten to make a change in the application before scanning/submitting. Sorry about that. The attached document contains the full application document and replaces the previous submittal /application in full so please consider this as the official construction permit application.

Thanks, Laura

Hi Jon, Please find attached the subject permit application for the rock crushing operation proposed for construction at the Lee/Hendry Landfill. You should find all the required information and/or documents enclosed but if for some reason I missed something, please do not hesitate to call me for clarification or to request additional information. Thanks, Laura
