FINAL DETERMINATION

PERMITTEE

The Euclid Chemical Company
1611 Gunn Highway
Odessa, Florida 33556-5311

PERMITTING AUTHORITY

Florida Department of Environmental Protection
Air Resource Management
Southwest District
13051 North Telecom Parkway
Temple Terrace, Florida 33637-7600

PROJECT

Air Permit No. 1010509-004-AC
Minor Air Construction Permit

This project is for the installation of a new dust collection system that will control emissions from existing mixing and packaging equipments in the facility's production building. This project also reassigns the facility's six existing emissions units into two emissions units which are associated with the facility's two existing common dust collection systems.

NOTICE AND PUBLICATION

The Permitting Authority distributed a draft minor air construction permit package on March 15, 2013. The applicant published the Public Notice in the Pasco Times on March 20, 2013. The Permitting Authority received the proof of publication on April 3, 2013. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

COMMENTS

No comments on the draft permit were received from the public or the applicant.

CONCLUSION

No changes were made to the draft permit. The permitting authority hereby issues the FINAL Permit with no changes.
