Subject: MODIFICATION APPLICATION NO. 0570039-076-AC, BIG BEND STATION

Dear Applicant:

Our office has received the air pollution permit application that you submitted for the project described below:

Facility Owner/Company Name: TAMPA ELECTRIC COMPANY (TEC)
Site Name: BIG BEND STATION
Project Name: AB331: HOPPERS
Project Description: Install four hoppers and PM CPMS on Units 1 - 4
Application Project No: 0570039-076-AC
Application Received Date: 10/21/2014
Permit Application Processor: Tammy Mcwade
Permit Application Processor Phone: 850-717-9086
Permit Application Processor Email: tammy.mcwade@dep.state.fl.us

We will review the application in a timely manner and contact you soon if any additional information is needed in order to process it. To avoid formal written requests for additional information, we encourage our permit processors to contact you directly by e-mail or by phone to resolve any questions or provide missing information. Our goal is to reduce the overall time required to process your application. We appreciate your efforts to help us meet this goal by ensuring that your response to any of our questions is timely, thorough and complete. If no additional information is required from you to process the application, we will be sending you a draft of the permit for your review and comment.

If you did not include a full payment for this application's fees and would like to make an online payment for the outstanding balance, please visit the DEP Business Portal - https://www.fldepportal.com - and complete the online payment process for a submitted application. Please note that the following fee types may not be completed through this process:

* Payments for annual fees
* Payments for non-Title V Air General Permits
* Payments processed by a local delegated program
* Partial payments for application balances

If you have any questions, or if you received this email in error, please contact the Permit Application Processor listed above by phone or e-mail. You may also schedule a meeting or teleconference with the Permit Application Processor at any time during the application review process.

Best Regards,
