FINAL Determination

Title V Air Operation Permit Renewal
FINAL Permit No.: 1050045-012-AV
Bartow Citrus Products, LLC

I. Public Notice.

An "INTENT TO ISSUE TITLE V AIR OPERATION PERMIT RENEWAL" to Bartow Citrus Products, LLC for its facility located at 2020 US Hwy 17 South, Bartow, Polk County was clerked on February 17, 2011. The "PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT RENEWAL" was published in The Polk County Democrat on March 30, 2011. The DRAFT/PROPOSED Permit was available for public inspection at the permitting authority's office in Temple Terrace. Proof of publication of the "PUBLIC NOTICE OF INTENT TO ISSUE TITLE V AIR OPERATION PERMIT RENEWAL" was received on April 1, 2011.

II. Comment(s).

No comments were received from the public during the 30-day public comment period or from the USEPA during their 45-day review period of the PROPOSED Permit.

II. Conclusion.

In conclusion, the permitting authority hereby issues the FINAL Permit, with one minor change. Specific Condition A.12. of the DRAFT/PROPOSED Permit requires that the compliance testing prior to renewal be done between 365 days and 270 days before the expiration date of the permit (May 15, 2016), meaning that the testing would need to be done between May 16, 2015 and August 19, 2015, which is normally citrus off-season. Therefore, this condition was modified in the FINAL Permit to state that the testing needs to be done between January 1, 2015 and April 30, 2015. This change is insignificant in nature and does not impose additional public noticing requirement.
