Subject: Title V Permit Application Revisions

Ed,

Per our conversation this morning we would like to request that the permit application for construction, project # 0810055-011-AC be removed from our application and that the Title V permit renewal application # 0810055-012-AV proceed as submitted.

Thanks you for your cooperation and please feel free to contact me should you have any other questions while reviewing the application.

Thanks,
Dan
