Subject:	Revised Attachment 1-FPL"s Comments on Martin Air Construction Permit
Date:	Tuesday, October 30, 2012 9:28:51 AM
Attachments:	RevisedAttachment1_103012.pdf

Tom, as discussed over the phone. Florida Power & Light would like to submit the revised attachment 1 to be reviewed in lieu of the previously submitted Attachment 1 yesterday. It includes an additional comment which was omitted from the previous submittal. You should be receiving the hard copy of the submittal in the mail today. Thank you for your patience and please call with any questions.
