Memorandum

Florida Department of
Environmental Protection

To: Rick Bradburn, Air Program Administrator

Through: Armando Sarasua, Air Permitting Supervisor

From: Angelia Jackson, Project Engineer

Date: August 1, 2011

Subject: Title V Air Construction Permit
Project No. 0390005-015-AC
BASF Corporation, Quincy Operations
Installation of Pneumatic Transporters

The final permit for this project is attached for your approval and signature, which authorizes installation of pneumatic transporters. The work will be performed in Gadsden County at 1101 North Madison Street in Quincy, Florida. The project results in a Title V air construction permit and is not subject to PSD preconstruction review.

The attached Final Determination summarizes the publication and comment process. There are no pending petitions for administrative hearings or extensions of time in which to file a petition for an administrative hearing. I recommend your approval of the attached final permit for this project.
