Dear Ms. Heath:

Enclosed please find our preliminary response to the administrative corrections to the draft of permit 1130004-019-AC you submitted on February 14, 2011. Most of the corrections are minor clarifications or typos; however, there are a few that require more detailed information to support.

Once the public review and comment period has expired, we will address all comments received prior to permit issuance. Therefore, the sooner you can provide the requested additional information, the better.

If you have any questions, please contact Teresa Knepper at 850/595-0670 or teresa.knepper@dep.state.fl.us.

Sincerely,

/s/
