Lynn,

The USDA Forest Service has received notification from Trinity Consultants of the subject permit application. Based on the information contained in the information received from Trinity as well as a review of the electronic application available on your website, we do not anticipate that any adverse impacts to Air Quality Related Values (AQRVs) will occur at Forest Service Class I Areas. Thank you for keeping the USDA Forest Service informed of this and other PSD permit applications.

Melanie

All:

A new **air permit application** has been received by the Florida Department of Environmental Protection's Division of Air Resource Management and is currently under review. The application and correspondences can be searched here at http://appprod.dep.state.fl.us/air/emission/apds/default.asp. Enter the permit and project number in the search fields.

If you have any problems accessing these documents please let me know. The following identifies your project number and permit application processor.

ARMS PA Project ID:	1210468-001-AC-PSD-FL-417
Facility Name:	Suwannee Mill
Florida County:	Suwannee

Project Description:	PSD permit application for new greenfield site, which will include sawmill for potential production of 700 million board feet of lumber annually.
Permit Application Processor:	Marilyn Koletzke
Processor Phone:	(850) 717-9112
Processor Email Address:	Marilyn.Koletzke@dep.state.fl.us
Received in-house:	1/9/12

Please direct any questions regarding this permit application to the permit application processor identified above.

Job Information Needed

Application Contact: *Michael Funk*

Professional Engineer of Record: *Michael Ballenger*

The division requests that the application contact and/or professional engineer of record answer the following questions on job creation regarding the project.

- How many temporary construction jobs will be created? How long (months) will construction take?
- How many new permanent jobs will be created at the facility once the project is complete?
- How many new permanent local jobs will be created in the vicinity of the facility as a result of the project? What types of jobs will these be?

Please direct the job information to me.

Thanks,

Lynn Scearce
