Memorandum

Florida Department of
Environmental Protection

To: Rick Bradburn, Air Program Administrator

Through: Armando I. Sarasua, P.E., Air Permitting Supervisor

From: Project Engineer

Date: November 17, 2011

Subject: Minor Source Air Construction Permit
Project No. 1130031-011-AC
QUIKRETE of Pensacola, QUIKRETE Milton Facility
Packaging Line Modification

The final permit for this project is attached for your approval and signature, which authorizes modification to air construction permit 1130031-009-AC to allow the re-naming of the packaging lines and to include an authorization to install equipment necessary to add a cement packer to line #2. The work will be performed in Santa Rosa County at 7101 Windwood Lane in Milton, Florida. The project results in a minor source air construction permit and is not subject to PSD preconstruction review.

The attached Final Determination summarizes the publication and comment process. There are no pending petitions for administrative hearings or extensions of time in which to file a petition for an administrative hearing. I recommend your approval of the attached final permit for this project.
