Turner Power Plant
Title V Air Operation Permit Renewal

Dear Syed,

Please link to the permit package for this project for your approval and signature.

O:\OPC\- Permitting Section\Joe Attalla\1270020 Turner Plant\1270020-005-AV - Turner

The draft/proposed permit renews the Title V permit for the Turner Power Plant, which is located in Volusia County, Florida. The Statement of Basis provides a summary of the project and the rationale for issuance.

The application was received and deemed complete on August 1, 2013. Day 90 is October 30, 2013. There is no ongoing/open enforcement case for this facility, according to Central District Office.

I recommend your approval of the attached draft/proposed permit.

Thank you,
Joe Attalla
