PROJECT

Air Permit No. 1130031-011-AC
Minor Source After-the-Fact Air Construction Permit
QUIKRETE Milton Facility

This project is a modification to air construction permit 1130031-009-AC to allow the re-naming of the packaging lines and to include an authorization to install equipment necessary to add a cement packer to line #2.

NOTICE AND PUBLICATION

The Department distributed a draft minor source air construction permit package on September 20, 2011. The applicant published the Public Notice in the Pensacola News Journal on November 3, 2011. The Department received the proof of publication on November 7, 2011. No requests for administrative hearings or requests for extensions of time to file a petition for administrative hearing were received.

COMMENTS

The Department received comments from the applicant, and the draft permit and Technical Evaluation and Preliminary Determination (TEPD) were changed as follows. Packaging line descriptions were clarified in the permit and the TEPD. Process rate determination and monitoring requirements were clarified in the Emissions Unit section of the permit

CONCLUSION

The final action is to issue the permit with the minor changes and clarifications as described above.
