Re: Title V Air Operation Permit Renewal
Proposed Permit No. 0110048-018-AV
Spangler Terminal Port Everglades

Dear Mr. Aydt:

Enclosed please find one copy of the proposed permit determination for the revision of the Title V Air Operation Permit No. 0110048-016-AV for the Spangler Terminal located at 909 Southeast 24th Street, Fort Lauderdale, Broward County. This letter serves as a courtesy to inform you that the draft permit has become a proposed permit.

An electronic version of this determination has been posted on the Florida Department of Environmental Protection Division of Air Resource Management's World Wide Web site for review by the United States Environmental Protection Agency (USEPA) Region 4 office. The web site address is:

http://www.dep.state.fl.us/air/eproducts/apds/default.asp

Pursuant to Section 403.0872(6), Florida Statutes, if no objection to the proposed Title V air operation permit is made by the USEPA within 45 days, the proposed permit will become a final permit no later than 55 days after the date on which the proposed permit was mailed (posted) to USEPA. If USEPA has an objection to the proposed permit, the final permit will not be issued until the permitting authority receives written notice that the objection is resolved or withdrawn.

If you have any questions, please contact the permitting engineer, Olga M. Ibarra, P.E., at 954-519-1275.

I. PUBLIC NOTICE

An Intent to Issue Air Permit issued to marathon Petroleum Company, LP. for the Spangler Terminal located at 909 Southeast 24th Street, Fort Lauderdale, Broward County, was clerked on October 20, 2015.

The Public Notice of Intent to Issue Air Permit was published in the Broward Daily Business Review on November 20, 2015. The draft Title V air operation permit was available for public inspection at the permitting authority's office, Broward County Pollution Prevention Division, One North University Drive, Suite 203, Plantation, Florida 33324. Proof of publication of the Public Notice of Intent to Issue Air Permit was received on December 1, 2015.

II. PUBLIC COMMENTS

No comments were received during the 30 days public comment period. Since no comments were received, the draft permit becomes the proposed permit.

III. CONCLUSION

The permitting authority will issue the proposed Title V Air Operation Permit No. 0110048-018-AV, as drafted, to be reviewed by the USEPA prior to final permit approval.
