PROJECT DESCRIPTION

This project is for the renewal of Title V Permit No. 0570293-013-AV for the above referenced facility. The permit incorporates Permit No. 0570293-022-AC, documents the removal of Press #7 as an active press, and formally recognizes a name change of the permittee from Cory Packaging, Inc. to Star Packaging Corporation. The permit has also been reformatted to reflect the current Title V permit style.

I HEREBY CERTIFY *that the air pollution control engineering features described in the above referenced application and subject to the proposed permit conditions provide reasonable assurance of compliance with applicable provisions of Chapter 403, Florida Statutes, and Florida Administrative Code Chapters 62-4 and 62-204 through 62-297. However, I have not evaluated and I do not certify aspects of the proposal outside of my area of expertise (including, but not limited to, the electrical, mechanical, structural, hydrological, geological, and meteorological features).*

This review was conducted by Jeff Sims under my responsible supervision.
