Comments to DRAFT Public Notice for Permit No. 0112384-008-AC. No Comments.

Comments to DRAFT Permit No. 0112384-008-AC. See attached draft Permit No. 0112384-008-AC to see where the comments presented below apply in the permit.

1. Page 4, Comment 1: Insert the term “or equivalent” after the proposed RTO description.
2. Page 4, Comment 2: Request to insert "...and 99 tons VOC in any 12 month period..."
3. Page 8, Comment 3: Request to delete monthly limit of 8.3325 tons.
4. Page 8, Comment 4: Request to revise so that Specific Conditions 5 - 19 and 21 - 23 apply if VOC input exceeds 50 tons per 12-month period.
5. Page 12, Comment 5: Request to remove daily and weekly records. Batches can extend to periods where daily and weekly records are not practical.
6. Page 12, Comment 6: See Comment 5. Request to remove daily records.
7. Page 12, Comment 7: See Comment 5. Request to remove daily and weekly records.
8. Page 12, Comment 8: Request clarification that the oxidizer chamber temperature may be monitored if the unit is not subject to 60.442(a).

Comments to DRAFT Permit No. 0112384-008-AC Appendices. See attached draft Permit No. 0112384-008-AC Appendices to see where the comments presented below apply in the permit.

1. PDF page 18 of 19, Comment 1: Request to revise to "Appendix F" based on what is described in the Appendices table of contents.
