Permit Application No. 0310429-005-AO

Dear Mr. Mouton:

The City of Jacksonville, Environmental and Compliance Department, Environmental Quality Division (Department) has determined that the above referenced application, received October 15, 2007, is incomplete. In order to continue processing your application the Department will need the capture and destruction efficiency compliance testing results for Emission Unit No. 001.

The Department must receive a response from you within ninety (90) days of receipt of this letter, unless you (the applicant) request additional time under Rule 62-4.055(1), Florida Administrative Code (FAC), and Rule 2.1301, Jacksonville Environmental Protection Board (JEPB).

Should you have any questions, please contact Mr. Darrel Hall at (904) 630-4900.

Very truly yours,

Richard L. Robinson, P.E., Manager
Air Pollution Source Permitting Section
