**SUBJECT: Former BP Products North America Inc., Jacksonville Terminal, Facility ID 0310179, Application for Transfer of Air Permit(s), Change of Name/Ownership**

Dear Mr. Robinson:

In a letter to the Florida Department of Environmental Protection ("FDEP") dated October 30, 2012, Blanchard Terminal Company LLC ("Blanchard") notified FDEP that Marathon Petroleum Company LP ("MPC") and BP Products North America Inc. ("BP Products") had entered into an agreement for, among other things, the sale of the Texas City Refinery and four petroleum products terminals (the "Transaction"). The Transaction included the Jacksonville Terminal, located at 2101 Zoo Parkway, Jacksonville, Florida, 32226, for which the agency issued the following construction and operation permits ("Permits") to BP Products:

- Title V Operation Permit No. 0310179-14-AV, dated January 27, 2012 (expires December 31, 2016);
- Construction Permit No. 0310179-17-AC, dated July 18, 2012 (expires May 31, 2014);
- Construction Permit No. 0310179-18-AC, dated September 27, 2012 (expires December 31, 2013); and

In an email dated December 7, 2012, you confirmed that once you received notice that the closing of the Transaction had occurred and BP Products' Statement of Compliance, you would process the transfer of the Permits. This letter is to serve notice to the FDEP that the Transaction closed today, February 1, 2013. BP Products will provide the FDEP with the Statement of Compliance shortly. Accordingly, Blanchard respectfully requests that FDEP approve the transfer of the Permits with an effective date of today, February 1, 2013.

In addition, it is our understanding that the FDEP will issue BP Products' pending Construction Permit No. 0310179-20-AC directly to Blanchard.

The new owner and permittee of the terminal is Blanchard, whose corporate office is located at 539 South Main Street, Findlay, Ohio 45840. The new facility name is "Blanchard Terminal Company LLC – Jacksonville Terminal."

Please direct any questions, correspondence, or requests for information regarding the Permits to Greg Moore at (419) 421-3774.

Respectfully,

B. R. McKain, President
Blanchard Terminal Company LLC
